

cdmHUB

Composites Design
& Manufacturing **HUB**

cdmHUB

Vision

to be the premier resource
for composites design & manufacturing

Mission

to convene & serve the global composites community by
creation, education, evaluation, and sharing of resources
for composites design & manufacturing

Let Us Imagine

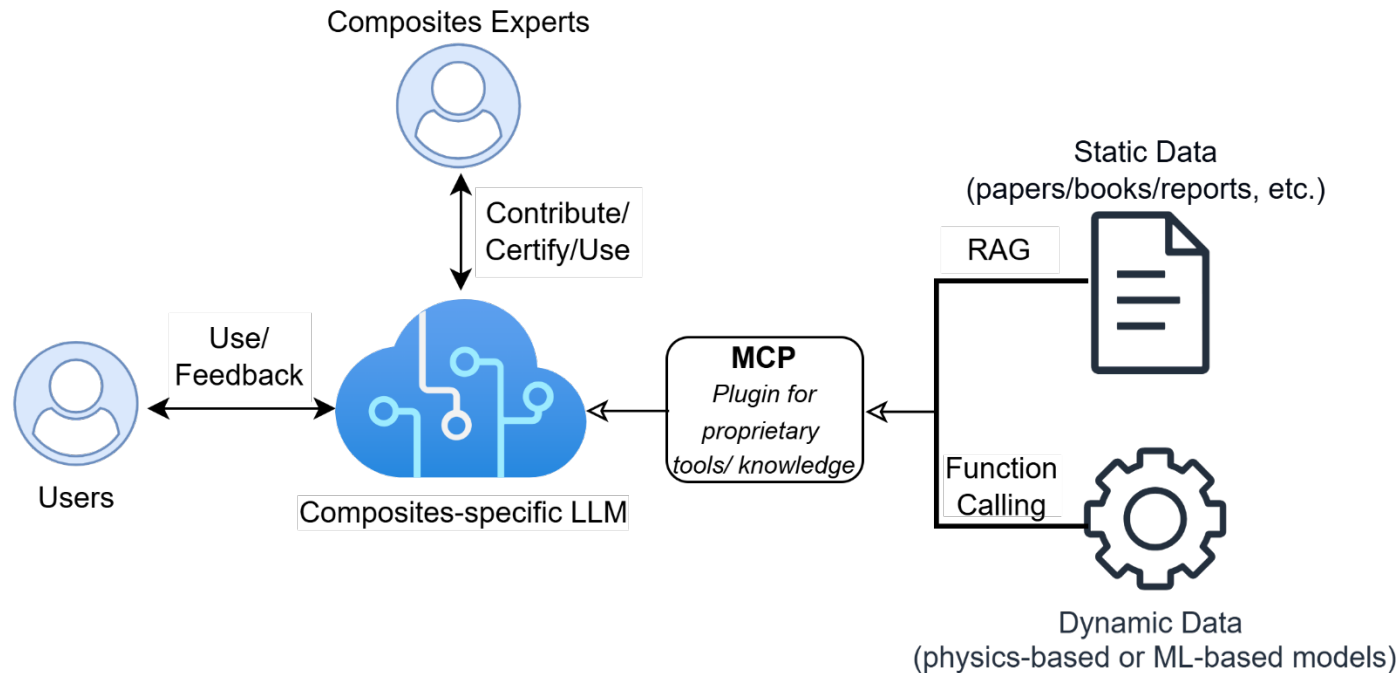

- ◆ **A platform**

- ◆ providing real -time, precise, and authoritative answers
- ◆ Consolidating all knowledge in composites
- ◆ Integrating all tools in composites
- ◆ Incorporating all insights of world leading experts
- ◆ Democratizing highly technical language using human conversations
- ◆ Delivering to all platforms via a chat interface
- ◆ Engaging experts for quality control
